Drives the Joy Out of Life

The Bright Day—the sweetest music—family—friends—the whole world seems wrong when the stomach gets out of fix. Joy surely goes out of life when Acid-Stomach comes in.

The Long List of Awful Miseries that it brings to suffering humanity—the mental depression, the dependency, the hopeless despair, the "blues"—the Acid-Stomach victim, are about the worst that man is called upon to suffer.

The Bright Day—the sweetest music—family—friends—the whole world seems wrong when the stomach gets out of fix. Joy surely goes out of life when Acid-Stomach comes in.

The Long List of Awful Miseries that it brings to suffering humanity—the mental depression, the dependency, the hopeless despair, the "blues"—the Acid-Stomach victim, are about the worst that man is called upon to suffer.

Acid-Stomach a Real Danger

No one is alarmed by an occasional attack of indigestion, heartburn, belching, food-repeating, or that bloated, lumpy feeling after eating, although they are mighty distressing. The real danger lies in what Mrs. C. L. McTeer, of Ranger, Ga., says:

"I have taken three boxes of EATONIC tablets and they have entirely cured me; the distressing accumulation of gases and the heavy feeling of the stomach, as if my bowels were clogged, and the three weeks' treatment, though my case was one of the most serious, and did not yield to medicine prescribed by my physician."

What wouldn't a sufferer from stomach miseries give to get well, and then write a letter like this one, from Henry Meadows, of Newark, N. J.:

"It was one of the worst cases of Acid-Stomach I ever had. I couldn't eat a thing without it, because I have suffered with my stomach for two years and no other medicine has cured me like EATONIC."

No Excuse for An Acid-Stomach

For Acid-Stomach and all kinds of stomach miseries EATONIC Tablets remove the pain instantly. You eat like a king and eat like a king. Tens of thousands are using EATONIC to keep the stomach clean, sweet and pure—that does not cause the food to sour and ferment—a stomach free from the common miseries of heart eating. In this strong, healthy condition your stomach acts naturally, you get strength and power out of every mouthful of food you eat. Your body and your mental faculties as well show the effects in renewed vitality.

You run no risk when you take EATONIC. It is made for delicate, sick, worn out stomachs and contains no habit-forming drugs. If it fails, it will not cost you one penny; we have faith in EATONIC and ABSOLUTELY GUARANTEE IT.

Eatonic Better than Hospital Treatment

"I have found EATONIC a great remedy for stomach trouble, indigestion, etc. My wife has been suffering from severe stomach trouble for two years. I sent her to a hospital in Washington this summer and the doctors could not do her any good. But she has taken ONE BOX OF EATONIC and she says she feels like a new woman, so I don't want to be without this wonderful medicine."—Wm. A. B. Smith, Village 8, O. V.

By keeping the stomach in a healthy condition your general health steadily improves. After a few days use of EATONIC see how much stronger you feel, how much more keenly you relish your food; how soundly you sleep; how all traces of nervousness and irritability disappear. It's just as Mrs. Ida A. Carpenter, of Perry, Ohio, says:

"Life seems worth living to me now that my miserable, aching stomach is so much better. EATONIC has helped me so much that I shall always speak a good word for it."

Eatonic Brings Instant Relief After 40 Years' Suffering

Read this remarkable letter from G. W. Congdon, Marion, N. D.:

"I feel like a well woman and have taken nearly one box of EATONIC. I have two more boxes and I am sure I can get the most wonderful medicine on earth. I am sending \$1.00 to pay for big box you sent me and get another package."
